

Nordic Master's Programme in Sustainable ICT Solutions of Tomorrow

The double degree Nordic Master's Programme in Sustainable ICT Solutions of Tomorrow is developed in cooperation with Aalborg University Copenhagen, AAU, Denmark. There is max 10 places at LUT, and the bachelor's graduated at LUT software engineering can also apply.

There is an exchange period to AAU's Campus in Copenhagen.

Eligibility

1. Requirements for the Completed Degree

Degrees Completed in Finland

- **Bachelor of Science in Technology/ Tekniikan kandidaatti**

Bachelor of Engineering /Insinööri (AMK) Regarding to the degrees mentioned above:

- *Having completed a Master's Degree ('diplomi-insinööri', 'maisteri', 'ylempi ammattikorkeakoulututkinto') still makes you eligible to apply, but you must still apply with your Bachelor's Degree.*
 - *Exception 1: You are not eligible to apply, if having completed a degree 'diplomi-insinööri' in a study programme in the same field of study compared to the programme you are applying to.*
 - *Exception 2: Degree 'diplomi-insinööri' is accepted for applying, if completed before 2008 when no separate Bachelor's Degree existed.*

Degrees Completed Worldwide (excluding Finland)

- **Bachelor of Science in Technology OR closely related to Technology Completed in a University - All countries**
- **Bachelor of Engineering Completed in a University of Applied Sciences - EU/EEA countries**
- *The degree must be equivalent to a similar Finnish Bachelor's Degree regarding to number of academic years and ECTS credits.*
- *The degree must give you eligibility to apply to university level Master's studies in the country where the degree was completed in.*
- *Having completed a Master's Degree still makes you eligible to apply, but only when applying with a Bachelor's Degree.*
 - *Exception 1: Master's Degree with no immediate prior Bachelor's Degree included is accepted.*

The Admissions Committee for the programme reserves a right to decide whether the degree and the completed studies provide the applicant with eligibility to apply to the programme.

Requirements for the Degree-Awarding University

The university awarding you the degree you are applying with must be

- **An official and recognized part of the national education system**
- **Listed on the [World Higher Education Database WHED](#)**
by International Association of Universities
