To be filled in by using Firefox as your web browser.

- You can also go to www.studyinfo.fi
 - *Search for the programme you are applying to, you find it typing Nordic Master's Programme in Sustainable ICT Solutions of Tomorrow, > Go to the programme page*
- **Fill in the Online Application Form, upload all the required documents and submit your application by 17 January 2024 at 15:00 (UTC+2).**

The application form will be closed at the time of the DL with NO further access to modifications.

You cannot submit the application form if not having uploaded all the required documents.

If you have a document that you can only upload by the supplementary period, you must upload a blank document stating that you will be uploading the right document by the supplementary DL.
- **If failing to present any of the information requested* on your Online Application Form, the missing information will not be tracked down from your documents and will therefore, be considered as 'information not provided'.** *For example, only the courses listed on the application form as individual courses** in ECTS credits*** by the time of submitting the application form will be taken into account in the selection process as long as they are listed on the Transcript/s of Records uploaded to your application.*

** Previous studies listed as ECTS credits as requested, indicating/calculating your GPA etc.*

*** If the courses are combined into a larger module with only a total credit mentioned, you must be able to present the included courses individually with individual ECTS credits if you wish them to be taken into account in the evaluation process.*

**** Credits must be converted to ECTS credits by following the LUT conversion that 1 ECTS credit = a workload of 27 hours (incl. lectures, assignments etc.)*
